

International Seminar Series on the Life and Works of

# Hazrat Khan Bahadur Ahsanullah (r.a.)

## Invitation to Seminar

Khan Bahadur Ahsanullah MA MRSA IES (1873-1965), a great saint, philosopher, renowned educationist and social reformer, dedicated his long-chequered life for spiritual and social development of the human community. He was the first top level education official to become member of the Indian Education Service in British India. He made substantial reforms in the education system of undivided Bengal and Assam. He was honoured to be a member of the Royal Society for Arts, Manufactures and Commerce (RSA).

By founding Ahsania Mission first in 1935 he gave his thoughts and philosophy an institutional shape. At the joint initiative of Nalta Central Ahsania Mission (NCAM) and Dhaka Ahsania Mission (DAM), International Seminar Series on his life and works is organized to discuss, internalize and disseminate his philosophy and works to serve the mankind through application of those in the Ahsania Mission works at the global level.

Eminent scholars, researchers and devotees of Hazrat Khan Bahadur Ahsanullah (r.a.) are invited for speaking on designated topics brining his philosophy and works to the present generations in pursuance of the motto 'Divine and Humanitarian Service'. It is expected that his disciples and the Mission members spread over in different countries, philanthropist, sufi, development practitioners, Islamic and social thinkers will be joining in these seminars.
